

Drita Nyseth

Professional Nurse

Dear Venisha Stopar,

I am writing to express my strong interest in the Professional Nurse position at Johnson & Johnson, as advertised. With a solid foundation of five years of nursing experience at Kaiser Permanente, I am excited about the opportunity to contribute to your esteemed healthcare team and further your mission of providing outstanding patient care.

During my tenure at Kaiser Permanente, I honed my clinical skills and developed a patient-centered approach to nursing that aligns well with the values of Johnson & Johnson. I have been recognized for my ability to quickly establish rapport with patients, work collaboratively with multidisciplinary teams, and deliver compassionate care across diverse patient populations.

My experience includes a broad range of nursing responsibilities, from conducting patient assessments and developing care plans to administering medications and assisting with medical procedures. I am particularly proud of my involvement in a quality improvement project that enhanced patient safety outcomes on my unit. This initiative not only improved patient care but also increased staff engagement and collaboration.

I am deeply committed to continuing professional development and have taken part in numerous workshops and training programs to stay abreast of the latest advancements in nursing practice. My dedication to excellence in nursing is unwavering, and I am eager to bring my expertise to Johnson & Johnson, a company renowned for its commitment to innovation and quality in healthcare.

I am confident that my clinical skills, combined with my passion for nursing and my ability to adapt to new environments, make me a suitable candidate for the Professional Nurse position. I am enthusiastic about the possibility of joining your team and contributing to the care and well-being of your patients.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and certifications can be a perfect match for the needs of your organization.

Warm regards,

Drita Nyseth
