Surgical Technician

Dear Yazmyne Hatteberg,

I am writing to express my interest in the Surgical Technician position with Stryker Corporation as advertised. With a solid foundation of five years of experience at Medtronic plc, I have honed the skills and expertise necessary to contribute effectively to your team and support the superior surgical solutions that Stryker is known for.

During my tenure at Medtronic plc, I had the opportunity to work in high-pressure environments where precision and teamwork are paramount. My role involved preparing operating rooms, arranging equipment, and assisting surgeons during procedures, which required a strong attention to detail and an unwavering commitment to patient care. I have become adept at quickly adapting to the varying demands of different surgeons and procedures, while always maintaining the highest standards of safety and efficiency.

I am particularly drawn to the innovative culture at Stryker Corporation, where the commitment to making healthcare better resonates deeply with my professional philosophy. I am excited about the prospect of bringing my background in surgical technology to an industry-leading company that prides itself on continuous improvement and exceptional patient outcomes. I am confident that my proactive approach to staying abreast of the latest technological advancements in the medical field will be an asset to your team.

I am eager to bring my strong work ethic, my dedication to patient care, and my ability to work seamlessly with a surgical team to Stryker Corporation. I look forward to the possibility of discussing how my experience and skills will be beneficial to your department's goals and objectives.

Thank you for considering my application. I am looking forward to the opportunity to further discuss how I can contribute to the success of Stryker Corporation.

Warmest regards,

Genora Phung
