Skills

Employment History

Accounting Consultant at CliftonLarsonAllen, MN

May 2023 - Present

- Managed and improved the financial reporting process for a \$50 million company, resulting in a 20% reduction in time spent on month-end close and increasing the accuracy of financial statements.
- Conducted a comprehensive internal audit for a \$75 million organization, identifying over \$500,000 in potential cost savings and implementing recommendations that led to a 15% improvement in operational efficiency.
- Assisted a \$30 million nonprofit organization in restructuring their accounting department, leading to a 25% reduction in overhead costs and improving financial transparency for stakeholders.
- Successfully implemented a new accounting software system for a \$40 million business, streamlining data entry and reporting processes, and reducing manual errors by 30%.

Junior Accounting Consultant at Baker Tilly, MN

Jul 2018 - Mar 2023

- Successfully managed a portfolio of over 50 clients, ensuring timely and accurate financial reporting, resulting in a 95% client satisfaction rate.
- Streamlined the month-end closing process for a major client, reducing the time required by 20% and saving the client \$10,000 in annual accounting fees.
- Identified and corrected a significant accounting error for a client, recovering \$15,000 in unclaimed tax credits and improving the client's overall financial position.
