HOBBIES

PROFILE

Acute Care Nurse Practitioner with 2 years of experience in providing high-quality patient care in fast-paced hospital settings. Skilled in assessment, diagnosis, and treatment of complex medical conditions, collaborating with multidisciplinary teams, and patient education. Demonstrates strong critical thinking, communication, and clinical skills, with a commitment to continuous professional development and evidence-based practice. Passionate about delivering compassionate care and improving patient outcomes.

EMPLOYMENT HISTORY

- Acute Care Nurse Practitioner at Nevada Acute Care Nurses, NV**
Mar 2023 - Present
 - Successfully managed a caseload of over 100 critically ill patients per month, resulting in a 95% survival rate and a 30% reduction in hospital readmissions within 30 days.
 - Implemented an evidence-based sepsis protocol, leading to a 40% decrease in septic shock cases and a 25% reduction in intensive care unit (ICU) length of stay for septic patients.
 - Collaborated with an interdisciplinary team to develop and implement a comprehensive care plan for high-risk patients, contributing to a 20% reduction in complications and a 15% improvement in patient outcomes.
 - Led a quality improvement initiative focused on enhancing communication and care coordination, resulting in a 10% increase in patient satisfaction scores and a 5% decrease in medication errors.
- Associate Acute Care Nurse Practitioner at Advanced Acute Care Nursing of Nevada, NV**
Jul 2021 - Feb 2023
 - Successfully managed the care of over 150 critically ill patients during a six-month period, resulting in a 95% survival rate and positive patient outcomes.
 - Implemented a new patient assessment protocol that improved efficiency by 20%, allowing for quicker diagnoses and treatment plans for patients in the acute care setting.
 - Led a team of five registered nurses in providing high-quality care for patients with complex medical conditions, achieving a 90% patient satisfaction rate.
