Employment History

Principal Architect at Pickard Chilton Architects, CT

Mar 2023 - Present

- Led the design and development of a 1.8 million-square-foot mixed-use project in Tokyo, Japan, resulting in a 15% increase in client satisfaction and a 10% reduction in construction costs.
- Managed a team of 25 architects and designers in the successful completion of a \$200 million sustainable corporate headquarters for a Fortune 500 company, achieving LEED Platinum certification and reducing the building's energy consumption by 40%.
- Oversaw the innovative redesign of a historic landmark building in New Haven, CT, attracting \$50 million in new investments and contributing to a 20% increase in surrounding property values.

Associate Architect at Svigals + Partners, CT

Sep 2018 - Feb 2023

- Led the design and construction of a \$50 million, 120,000 sq ft educational facility, resulting in a state-of-the-art learning center that increased student enrollment by 20%.
- Managed a team of 10 professionals to complete the renovation and expansion of a historic public library, successfully preserving its original architecture while adding 15,000 sq ft of modernized space and increasing visitor traffic by 30%.
- Implemented sustainable design strategies for a mixed-use commercial building project, achieving LEED Gold certification and reducing the building's energy consumption by 40%.
- Collaborated with clients and stakeholders to develop a master plan for a 50-acre urban redevelopment project, creating a vibrant mixed-use community that attracted over \$100 million in private investment.
