

Jenitza Lirio

Assembler

Profile

Dedicated Assembler with 1 year of experience in manufacturing environments. Proficient in following blueprints, assembling components, and ensuring quality control. Demonstrates strong attention to detail, teamwork, and efficient time management. Committed to maintaining a safe and organized workspace to optimize productivity.

Employment History

Assembler I at Electromechanical Assembler Inc., NC

Apr 2023 - Present

- Assembled over 1,000 complex electromechanical systems within a year, maintaining a 99.5% quality rating and exceeding production targets by 10% at Electromechanical Assembler Inc., NC.
- Reduced assembly time by 15% through implementing efficient processes and collaborating with the engineering team to optimize assembly procedures, resulting in a savings of \$50,000 annually for the company.
- Trained and mentored 5 new Assembler I employees, helping them to quickly acclimate to the company's processes and achieve an average productivity rate of 95% within their first three months.

Assembler II at Advanced Assembly Solutions, NC

Jul 2022 - Mar 2023

- Successfully assembled and inspected over 500 complex electronic components per week, resulting in a 99% pass rate on quality control tests and contributing to a 20% increase in production efficiency for Advanced Assembly Solutions.
- Streamlined the assembly process by implementing an optimized workstation layout and introducing new tools, resulting in a 15% reduction in assembly time and a 10% decrease in work-related injuries.
- Trained and mentored five new Assembler I employees, leading to a 30% increase in their productivity within the first month and a subsequent 5% overall increase in department output.

Education

Certificate in Assembly and Manufacturing Technology at Central Piedmont Community College, Charlotte, NC

Sep 2018 - May 2022

Relevant Coursework: Computer-Aided Design (CAD), Computer-Aided Manufacturing (CAM), Programmable Logic Controllers (PLC), Robotics, Industrial Automation, Lean Manufacturing, Quality Assurance, and Production Management.

Certificates

IPC-A-610 Certified IPC Specialist (CIS)

Jan 2022
