

# Julieana Hemman

Assembly Line Worker

## Profile

Diligent Assembly Line Worker with 1 year of experience in fast-paced manufacturing environments. Adept at mastering new processes, operating specialized machinery, and maintaining strict quality standards. Demonstrates strong teamwork, problem-solving, and time management abilities, contributing to increased efficiency and productivity. Proficient in following safety protocols and adhering to production schedules, ensuring optimal performance and timely completion of tasks.

## Employment History

### Assembly Line Worker at Hyundai Motor Manufacturing Alabama, AL

Apr 2023 - Present

- Successfully assembled over 250 vehicles per day, contributing to the plant's achievement of producing over 90,000 units in 2019.
- Enhanced production efficiency by 15% through implementing Lean Manufacturing principles and collaborating with team members to reduce bottlenecks and streamline processes.
- Maintained a 99% quality control rating while working on the assembly line, ensuring that vehicles met Hyundai's high standards for safety and performance.
- Trained and mentored 10 new assembly line workers, helping them quickly become productive team members and reducing their learning curve by 50%.

### Assembly Line Operator at Honda Manufacturing of Alabama, AL

Jul 2022 - Mar 2023

- Increased production efficiency by 15% within the first year of employment by optimizing assembly line processes and reducing equipment downtime at Honda Manufacturing of Alabama, AL.
- Successfully implemented a new quality control system that reduced product defects by 25% and resulted in a 10% reduction in assembly line rework, saving the company over \$500,000 annually.
- Trained and mentored 20 new assembly line operators, improving overall team productivity by 12% and reducing employee turnover by 8%.
- Collaborated with the engineering team to redesign and implement ergonomic workstation improvements, reducing work-related injuries by 30% and improving employee satisfaction by 20%.

## Certificates

### Certified Production Technician (CPT)

Feb 2022

### Manufacturing Skill Standards Council (MSSC) Safety Certification
