

Kaydia Guderian

Asset Protection Manager

Profile

Results-driven Asset Protection Manager with 2 years of experience in effectively minimizing losses and ensuring a safe and secure environment for both employees and customers. Adept at implementing loss prevention strategies, conducting investigations, and collaborating with cross-functional teams to optimize operations. Demonstrates strong leadership, analytical, and problem-solving skills, contributing to the overall success and profitability of the organization.

Employment History

Asset Protection Manager at Walmart, SC

Feb 2023 - Present

- Reduced shrinkage by 25% in the first year through implementation of robust inventory control systems and employee training, resulting in savings of over \$500,000 for the Walmart SC location.
- Conducted comprehensive risk assessments and developed targeted action plans, leading to a 40% reduction in safety incidents and a 30% decrease in workers' compensation claims within two years.
- Streamlined loss prevention strategies and improved communication between departments, contributing to a 20% increase in overall operational efficiency and a 15% reduction in internal theft cases during the three-year tenure.

Associate Asset Protection Manager at Target, SC

Jul 2021 - Jan 2023

- Implemented a comprehensive loss prevention program, resulting in a 35% reduction in shrinkage and saving the company over \$200,000 annually.
- Conducted regular audits and inventory control measures, identifying and resolving discrepancies that led to a 20% increase in inventory accuracy.
- Trained and developed a team of 10 asset protection associates, contributing to a 50% decrease in internal theft incidents and improved overall store security.
- Collaborated with store management to create and enforce safety protocols, leading to a 25% reduction in workplace accidents and maintaining a 100% compliance rate with company policies and OSHA regulations.
