## EMPLOYMENT HISTORY

### Assistant Finance Manager at Green Mountain Power, VT

Feb 2023 - Present

- Successfully reduced operating costs by 15% (\$1.2 million) through the implementation of new financial strategies and cost control measures, resulting in increased profitability for Green Mountain Power in 2019.
- Led a team of 4 analysts in streamlining the budgeting and forecasting process, improving accuracy by 20% and reducing the time taken to complete the process by 30%, which allowed for more informed and timely decision-making in 2018.
- Identified and implemented process improvements in the accounts payable department, leading to a 25% reduction in invoice processing time and a 10% decrease in late payment penalties, saving the company \$500,000 in 2020.

### Finance Analyst at Casella Waste Systems, VT

Sep 2018 - Jan 2023

- Successfully reduced operating costs by 15% (\$1.2 million) through the implementation of cost-saving initiatives and process improvements, resulting in increased profitability for Casella Waste Systems.
- Streamlined financial reporting processes, cutting the time spent on monthly report generation by 30%, which enabled management to make more informed and timely decisions based on accurate financial data.
- Identified and mitigated financial risks for the company by conducting thorough risk assessments and implementing strategic plans, leading to a 20% reduction in potential losses from unplanned events.
