

Sarah Bertagnole

Assistant Nurse Manager

Profile

Dedicated and compassionate Assistant Nurse Manager with 5 years of experience in providing exceptional patient care and nursing team leadership. Adept at managing daily operations, implementing policies and procedures, and fostering a positive work environment to ensure high-quality care. Excellent interpersonal skills with a proven ability to mentor and motivate nursing staff, while maintaining a strong focus on patient satisfaction and safety. Demonstrated expertise in streamlining workflows, optimizing resource utilization, and driving continuous improvement initiatives. Committed to excellence in nursing practice and patient advocacy.

Employment History

Assistant Nurse Manager at Wyoming Medical Center, WY

Feb 2023 - Present

- Successfully reduced patient wait times by 25% through the implementation of efficient scheduling and staff coordination, resulting in increased patient satisfaction scores.
- Streamlined patient care processes by collaborating with the nursing team to develop and implement new protocols, leading to a 15% decrease in medication administration errors.
- Spearheaded a training program for new nursing staff, resulting in a 30% increase in retention rates and improved nurse competence in critical care situations.
- Managed a team of 20 nurses and support staff, achieving a 10% reduction in overtime hours while maintaining high standards of patient care.

Associate Nurse Manager at Cheyenne Regional Medical Center, WY

Aug 2018 - Jan 2023

- Successfully implemented a new nurse onboarding program, reducing the average training time for new hires by 30% and increasing overall staff retention by 20% within the first year.
- Streamlined patient flow processes, resulting in a 15% reduction in patient wait times and a 10% increase in patient satisfaction scores.
- Led a team of 25 nurses to achieve a 95% compliance rate with hand hygiene protocols, contributing to a 40% decrease in hospital-acquired infections over a two-year period.
- Collaborated with interdisciplinary teams to develop and implement a falls prevention program, resulting in a 35% reduction in patient falls and associated injuries within the first 18 months.

Education

Bachelor of Science in Nursing at University of Wyoming, Laramie, WY

Aug 2013 - May 2018
