## Profile

Dedicated Associate Project Manager with 2 years of experience in successfully driving projects from initiation to completion. Adept at managing cross-functional teams, optimizing resources, and implementing effective project management methodologies. Proven track record in problem-solving, stakeholder management, and delivering projects on time and within budget. Strong communication and organizational skills, with a keen focus on continuous improvement and client satisfaction.

---

## Employment History

---

### Associate Project Manager at Cognizant Technology Solutions, AL

Feb 2023 - Present

- Successfully managed and delivered a software development project for a major client, resulting in a 15% increase in client satisfaction and a 10% increase in overall project efficiency.
- Implemented a new project management tool and streamlined communication processes, leading to a 20% reduction in project delays and a 25% improvement in team collaboration.
- Mentored and trained a team of junior project managers, contributing to a 30% increase in project success rate and a 40% decrease in employee turnover within the department.

### Assistant Project Manager at Dynetics, AL

Aug 2021 - Jan 2023

- Successfully managed a team of 15 engineers and technicians, completing a \$2 million project on time and within budget, resulting in a 10% increase in client satisfaction.
- Streamlined project management processes, reducing overall project completion time by 20%, saving the company an estimated \$500,000 annually.
- Implemented a new project tracking system that increased efficiency by 15%, leading to a 5% reduction in project costs and a 7% increase in project profitability.
- Coordinated with cross-functional teams to deliver a complex, multi-million dollar aerospace project, which exceeded client expectations and contributed to a 12% increase in company revenue for the year.
