## Employment History

### Attorney at Joseph, Hollander & Craft LLC, KS

Apr 2023 - Present

- Successfully represented a client facing federal drug charges, resulting in a reduced sentence of 5 years instead of the 20-year minimum mandatory sentence, by effectively advocating for the client's cooperation with law enforcement and demonstrating their minimal role in the drug conspiracy.
- Achieved a 90% success rate in obtaining favorable outcomes for clients in DUI cases, including dismissals, reduced charges, and minimized penalties, through diligent case preparation, thorough investigation, and persuasive negotiation with prosecutors.
- Recovered over \$1 million in combined damages for clients in personal injury cases within two years by skillfully presenting evidence, engaging expert witnesses, and negotiating high-value settlements with insurance companies and opposing counsel.

### Associate Attorney at Klenda Austerman LLC, KS

Aug 2021 - Feb 2023

- Successfully negotiated a settlement for a client in a complex commercial litigation case, resulting in a favorable outcome and saving the client over \$1 million in potential damages.
- Conducted legal research and drafted memoranda for over 50 cases, contributing to a 90% success rate in obtaining favorable rulings for clients in both trial and appellate courts.
- Managed a caseload of over 30 active clients, effectively prioritizing tasks and meeting strict deadlines, leading to a 95% client satisfaction rate.
- Assisted in the preparation and presentation of oral arguments in three high-profile cases, resulting in two favorable verdicts and one overturned decision on appeal, significantly impacting the firm's reputation in the legal community.
