

# Kialee Renkert

Auditor

## Profile

Detail-oriented Auditor with 2 years of experience in conducting thorough financial and operational audits across various industries. Adept at identifying discrepancies, reviewing internal controls, and ensuring compliance with regulatory requirements. Skilled in collaborating with cross-functional teams and presenting findings to management. Proven ability to improve efficiency, reduce risk, and deliver valuable insights to drive business growth.

## Employment History

### Senior Auditor at KPMG LLP, VT

Feb 2023 - Present

- Successfully led a team of 10 auditors in completing the annual audit of a \$500 million revenue client within the deadline, resulting in zero audit adjustments and a 15% reduction in audit hours compared to the previous year.
- Identified material misstatements in financial statements of a major client, leading to a restatement of the prior year's financials and a \$2 million adjustment to net income, ultimately improving the accuracy and reliability of the client's financial reporting.
- Streamlined internal audit processes by implementing advanced data analytics techniques, resulting in a 25% increase in efficiency and reducing project completion times by an average of 20%.

### Auditor at A.M. Peisch & Company, LLP, VT

Sep 2021 - Dec 2022

- Successfully identified and addressed over \$500,000 in financial discrepancies and inefficiencies for clients in a single fiscal year, resulting in improved financial controls and increased profitability for those businesses.
- Streamlined the audit process for A.M. Peisch & Company by implementing advanced data analytics tools, leading to a 25% reduction in time spent on each audit engagement and increasing overall team productivity.
- Played a key role in securing 10 new high-value clients for the firm within a two-year period, contributing to a 15% increase in annual revenue and solidifying A.M. Peisch & Company's position as a leading auditing firm in Vermont.
