### Employment History

#### Auto Mechanic at Precision Tune Auto Care, CT

Apr 2023 - Present

- Successfully diagnosed and repaired over 500 vehicles with various complex issues within a year, resulting in a 95% customer satisfaction rate and contributing to the growth of Precision Tune Auto Care's client base in Connecticut.
- Efficiently managed a team of 5 junior mechanics and supervised their work, reducing repair time by 20% and increasing overall productivity, which led to a 15% increase in monthly revenue for the shop.
- Implemented a preventive maintenance program for customers, conducting thorough inspections and routine services on over 300 vehicles annually, resulting in a 30% decrease in major repairs and a 10% increase in customer retention.

#### Apprentice Auto Mechanic at Monro Auto Service and Tire Centers, CT

Jul 2022 - Mar 2023

- Successfully completed over 500 vehicle inspections and routine maintenance tasks within the first year, ensuring all vehicles met state safety and emissions standards.
- Diagnosed and repaired over 250 engine and transmission issues, resulting in a 95% success rate and increased customer satisfaction at Monro Auto Service and Tire Centers, CT.
- Assisted in increasing overall shop productivity by 20% by implementing more efficient work processes, such as better organization of tools and parts, and improved communication among team members.
- Consistently received positive customer feedback, with over 50 written testimonials praising attention to detail, professionalism, and ability to explain complex automotive issues in simple terms.
