EMPLOYMENT HISTORY

AutoCAD Designer at Alabama Engineering Company (AEC), AL

May 2023 - Present

- Designed and implemented a new drainage system for a major highway project in Alabama, resulting in a 30% reduction in flooding incidents and saving the state \$2 million in annual maintenance costs.
- Streamlined the design process for AEC by introducing advanced AutoCAD techniques, leading to a 25% increase in overall efficiency and reducing project turnaround time by two weeks on average.
- Successfully managed a team of junior AutoCAD designers on a \$5 million bridge construction project, completing the project on time and under budget by 10%.
- Developed a comprehensive library of standard AutoCAD templates for AEC, reducing design time by 15% and improving consistency across all projects.

Junior AutoCAD Designer at Design Initiative, LLC, AL

Sep 2022 - Mar 2023

- Successfully completed the design and drafting of over 150 residential and commercial projects within a year, consistently meeting client requirements and deadlines.
- Streamlined the company's AutoCAD workflow by implementing new design techniques and software tools, resulting in a 30% increase in overall efficiency and reducing project turnaround time by 20%.
- Collaborated with a team of designers and engineers to win a major contract for the development of a 50,000 sq. ft. retail complex, contributing to a 15% annual revenue growth for Design Initiative, LLC.

EDUCATION

Associate of Applied Science in Computer-Aided Drafting and Design at Calhoun Community College, Decatur, AL

Sep 2017 - May 2022

Relevant Coursework: AutoCAD, 3D Modeling, Architectural Drafting, Civil Drafting, Mechanical Drafting, Engineering Graphics, Geometric Dimensioning and Tolerancing, and Technical Mathematics.

CERTIFICATES

Autodesk Certified Professional (ACP) in AutoCAD

Sep 2021

Autodesk Revit Architecture Certification

Jun 2020
