Profile

Dedicated Bus Monitor with 1 year of experience in ensuring safe and comfortable transportation for students. Skilled in maintaining a positive environment, managing student behavior, and addressing diverse needs. Strong communication abilities and a proactive approach to fostering a secure and enjoyable atmosphere during daily commutes.

Employment History

Bus Monitor at Anderson Coach Line, SC

Mar 2023 - Present

- Successfully managed the safety of over 150 students daily during their commute to and from school, ensuring a 100% accident-free record throughout the year at Anderson Coach Line, SC.
- Significantly improved on-time performance by 20% through effective route planning, coordination with drivers, and efficient communication with school administrators and parents.
- Implemented a new behavior management system for students on the bus, resulting in a 30% reduction in reported incidents and increased overall satisfaction from parents and school staff.

Assistant Bus Monitor at SCT Bus Services, SC

Sep 2022 - Jan 2023

- Successfully assisted in the safe transportation of over 1,000 students daily, ensuring a 99% punctuality rate for arrivals and departures during the 2019-2020 academic year.
- Implemented a new system of tracking and reporting student behavior, resulting in a 25% reduction in incidents and improved communication between bus monitors, drivers, and school administrators.
- Received a commendation from SCT Bus Services management for exceptional performance in maintaining a clean and well-organized bus environment, contributing to a 30% decrease in maintenance costs.
- Conducted bi-monthly training sessions for fellow bus monitors, leading to a 15% increase in overall team efficiency and improved knowledge of safety procedures and protocols.
