Profile

Results-driven Business Analyst Consultant with 2 years of experience in providing data-driven solutions to drive business growth and optimize processes. Adept at requirements gathering, data analysis, and translating complex data into actionable insights. Proven track record of collaborating with cross-functional teams and delivering successful projects. Strong analytical and problem-solving skills with a keen eye for detail. Commitment to continuous improvement and professional growth.

Employment History

Senior Business Analyst Consultant at Arizona Business Analysts, LLC, AZ

Mar 2023 - Present

- Successfully implemented a new data analytics system for a major client, resulting in a 25% increase in operational efficiency and cost savings of over \$500,000 annually.
- Led a cross-functional team to streamline business processes for a Fortune 500 company, reducing project completion time by 30% and saving the company over \$2 million in labor costs.
- Conducted comprehensive market research and developed a strategic growth plan for a small business client, leading to a 40% increase in revenue and expansion into two new markets within one year.

Business Analyst Consultant at Insight Consultants AZ, AZ

Aug 2021 - Feb 2023

- Successfully improved operational efficiency by 25% for a major client in the retail industry by analyzing and optimizing their business processes, resulting in annual cost savings of over \$500,000.
- Led a team of analysts to identify and implement data-driven solutions that increased revenue by 15% for a prominent healthcare organization, translating to an additional \$1.2 million in annual profits.
- Streamlined the supply chain management system for a manufacturing client, reducing inventory costs by 30% and improving on-time delivery rates by 20%, generating an overall savings of \$350,000 per year.
