PROFILE

Dedicated Care Provider with 1 year of experience in delivering compassionate and personalized care to clients. Proficient in assisting with daily living activities, medication administration, and maintaining a safe, clean environment. Demonstrated ability to build strong relationships with clients and their families, ensuring trust and open communication. Committed to enhancing clients' quality of life and well-being through tailored care plans and empathetic support.

EMPLOYMENT HISTORY

Caregiver at Sanford Health, ND

Apr 2023 - Present

- Successfully managed the care of over 50 patients during a one-year period, ensuring each individual received personalized attention and appropriate medical support, resulting in a 95% satisfaction rate among patients and their families.
- Implemented a new patient documentation system that improved record-keeping efficiency by 40%, allowing for more accurate and up-to-date information on patient care and progress to be easily accessible by all relevant staff members.
- Organized and led a series of weekly support group meetings for families of patients, resulting in a 30% increase in family engagement and collaboration with the caregiving team, ultimately leading to better patient outcomes and overall wellbeing.

Care Provider Assistant at Altru Health System, ND

Aug 2022 - Feb 2023

- Successfully assisted in the care of over 100 patients per month, ensuring their comfort and well-being while at Altru Health System.
- Streamlined patient documentation processes by implementing a new electronic filing system, resulting in a 20% reduction in time spent on administrative tasks.
- Collaborated with a team of healthcare professionals to develop and implement personalized care plans for patients, leading to a 15% improvement in patient satisfaction scores.
- Received a commendation for exceptional service and dedication after providing critical support during a high-volume period that saw a 25% increase in patient intake.
