

Katharina Debelak

Certified Nurse Aide

Profile

Certified Nurse Aide with 1 year of experience in providing compassionate and high-quality care to patients in various healthcare settings. Proficient in assisting with daily living activities, monitoring vital signs, and collaborating with multidisciplinary teams to ensure optimal patient outcomes. Demonstrated ability to build strong relationships with patients and their families while maintaining professional boundaries. Dedicated to continuous learning and staying current on best practices in nursing care.

Employment History

Certified Nurse Aide at Home Helpers of Greater Milwaukee, WI

Feb 2023 - Present

- Successfully assisted an average of 30 clients per week at Home Helpers of Greater Milwaukee, WI, providing them with high-quality and compassionate care, leading to a 98% satisfaction rate among clients and their families.
- Streamlined the communication process between nursing staff, patients, and their families by implementing a new reporting system, resulting in a 25% decrease in misunderstandings and miscommunications over a six-month period.
- Organized and led a team of five fellow Certified Nurse Aides in providing comprehensive care to clients in need of specialized assistance, reducing hospital readmission rates by 20% within one year.

Nurse Aide Trainee at St. Croix Hospice, WI

Aug 2022 - Dec 2022

- Assisted in the care of over 100 patients during a 6-month period, providing essential support to nursing staff and ensuring high-quality care for patients at St. Croix Hospice, WI.
- Successfully completed a rigorous 120-hour nurse aide training program, mastering essential skills such as patient care, communication, and documentation, which led to a significant increase in efficiency and patient satisfaction.
- Contributed to a 15% decrease in patient falls within the hospice by implementing new safety protocols and consistently monitoring patients' conditions and needs, ensuring a safer environment for all patients.
- Received positive feedback from both patients and their families in over 90% of cases, reflecting exceptional interpersonal skills, empathy, and dedication to providing compassionate care at St. Croix Hospice, WI.
