

# Brian Snoots

Certified Occupational Therapy Assistant

## Profile

Certified Occupational Therapy Assistant with 2 years of experience in providing exceptional patient care, developing personalized intervention plans, and collaborating with multidisciplinary teams. Highly skilled in implementing therapeutic techniques, tracking patient progress, and adapting treatment strategies to achieve optimal outcomes. Demonstrated ability to establish rapport with diverse patient populations and committed to continuing professional growth in the field of occupational therapy.

## Employment History

### Certified Occupational Therapy Assistant at Arkansas Rehabilitation Services, AR

Apr 2023 - Present

- Successfully implemented a new evidence-based therapy program for over 50 clients, resulting in a 30% improvement in their functional outcomes and overall quality of life.
- Streamlined the documentation process for the occupational therapy department, reducing time spent on paperwork by 20% and increasing efficiency in client care.
- Provided mentorship and training to five incoming Certified Occupational Therapy Assistants, contributing to a 100% pass rate on their state licensure exams and ensuring a high level of expertise within the department.

### Occupational Therapy Assistant at CHI St. Vincent Hot Springs Rehabilitation, AR

Sep 2021 - Mar 2023

- Successfully implemented a new therapy program for stroke patients, resulting in a 25% increase in patient recovery rates and a 15% reduction in hospital readmissions within the first six months.
- Streamlined occupational therapy treatment plans by collaborating with a multidisciplinary team, leading to a 20% improvement in patient goal attainment and a 10% decrease in average treatment duration.
- Developed and led a series of educational workshops for patients and their families, improving patient engagement and satisfaction scores by 30% and increasing referrals from other healthcare providers by 12%.
