Profile

A seasoned Chief Financial Officer with 10 years of experience in driving financial growth and stability across diverse industries. Demonstrated expertise in strategic financial planning, budgeting, risk management, and process optimization. Proven track record in enhancing financial operations, streamlining business processes, and leading high-performance teams. Adept at fostering strong relationships with key stakeholders, driving operational efficiency, and implementing cost-saving initiatives to maximize profitability.

Employment History

Chief Financial Officer at CNO Financial Group, IN

May 2023 - Present

- Successfully reduced operating expenses by 15% (\$10 million) in one year by implementing cost-saving initiatives and streamlining processes across all departments, resulting in improved financial performance for CNO Financial Group.
- Led the negotiation and acquisition of a \$200 million life insurance company, expanding CNO Financial Group's market share and product offerings, while integrating the acquired company seamlessly to achieve an estimated annual revenue increase of 20%.
- Developed and executed a comprehensive financial strategy that increased the company's stock price by 35% over three years, attracting new investors and strengthening CNO Financial Group's financial position in the industry.

Vice President of Finance at Eli Lilly and Company, IN

Sep 2020 - Apr 2023

- Led the successful acquisition of Loxo Oncology for \$8 billion, resulting in a 20% increase in Eli Lilly's oncology portfolio and strengthening the company's position in precision medicine.
- Implemented a new financial planning and analysis system that improved forecasting accuracy by 30%, enabling better resource allocation and decision-making across the organization.
- Reduced operating expenses by 15% (\$200 million) through the identification and implementation of cost-saving initiatives, including process improvements, organizational restructuring, and outsourcing non-core functions.
- Secured \$500 million in funding through a bond issuance at a historically low interest rate, providing additional capital for strategic investments and further enhancing Eli Lilly's financial stability.

Finance Director at Anthem Inc., IN

Sep 2013 - Jul 2020

- Successfully reduced operating costs by 15% (\$3 million) through the implementation of strategic cost-cutting measures and process improvements, resulting in increased profitability for Anthem Inc. in Indiana.
- Led a team that streamlined financial reporting processes, reducing turnaround time by 25% and improving overall accuracy of financial data, allowing for more informed decision-making across the organization.
