PROFILE

Dedicated Classroom Teacher with 1 year of experience in creating engaging and supportive learning environments for diverse student populations. Proficient in developing innovative lesson plans, collaborating with colleagues, and utilizing technology to enhance the educational experience. Demonstrated ability to foster positive relationships with students, parents, and colleagues to support academic success. Committed to continuous professional development to stay current with best teaching practices.

EMPLOYMENT HISTORY

● Lead Classroom Teacher at Missouri State Teachers Association (MSTA), MO

Mar 2023 - Present

- Successfully increased student test scores by 20% in one academic year by implementing innovative teaching strategies and collaborating with fellow educators at MSTTA.
- Developed and implemented a new curriculum for English language learners, resulting in a 30% improvement in language acquisition rates among students.
- Mentored and coached 10 new teachers over a three-year period, leading to an 80% retention rate of new hires within the MSTTA.
- Organized and led professional development workshops for over 100 educators, leading to a 15% increase in overall teacher satisfaction within the organization.

● Assistant Classroom Teacher at Missouri National Education Association (MNEA), MO

Aug 2022 - Jan 2023

- Successfully assisted in increasing student test scores by 15% over a two-year period by implementing targeted teaching strategies and collaborating with lead teachers to develop engaging lesson plans.
- Effectively managed a classroom of 25 students, maintaining a positive learning environment and reducing behavioral issues by 30% through consistent communication and clear expectations.
- Coordinated and executed three successful school-wide events, including a literacy night and two fundraisers, which increased parent involvement by 20% and raised over \$5,000 for classroom resources.
- Spearheaded a tutoring program for struggling students, providing one-on-one support for 10 students and helping them improve their grades by an average of one letter grade within a single semester.
