PROFILE

Dedicated Clinical Laboratory Technician with 1 year of experience in performing accurate and efficient diagnostic testing. Skilled in operating and maintaining laboratory equipment, adhering to strict safety protocols, and ensuring timely delivery of results. Adept at collaborating with interdisciplinary teams and contributing to high-quality patient care. Strong analytical and problem-solving abilities with a commitment to continuous professional development.

EMPLOYMENT HISTORY

● Clinical Laboratory Technician at BioReference Laboratories, NY

Feb 2023 - Present

- Successfully processed and analyzed over 1500 clinical samples per week, ensuring timely and accurate results for healthcare providers and patients.
- Implemented a new quality control protocol that reduced error rates by 25% and increased overall lab efficiency by 15%.
- Trained and mentored 10 new laboratory technicians, resulting in a 100% pass rate on their certification exams and contributing to a 20% increase in lab productivity.

● Clinical Laboratory Assistant at Enzo Clinical Labs, NY

Jul 2022 - Jan 2023

- Successfully processed over 2000 lab samples per month, ensuring timely and accurate test results for patients and healthcare providers.
- Implemented a new inventory management system that reduced supply waste by 30% and saved the lab \$10,000 annually.
- Trained 15 new clinical laboratory assistants, improving overall team efficiency by 25%.
- Collaborated with lab technicians to reduce average sample processing time by 20%, resulting in faster turnaround times for critical test results.
