

Kewanna Lazarre

Coding Specialist

Profile

Dedicated Coding Specialist with 1 year of experience in accurately translating medical procedures and diagnoses into standardized codes. Proficient in ICD-10-CM and CPT coding systems, with a strong understanding of medical terminology and regulatory compliance. Adept at reviewing and analyzing medical documentation to ensure accurate and timely coding, while maintaining an exceptional level of quality and attention to detail. Strong communication skills and a commitment to continuous learning and professional development in the ever-evolving healthcare industry.

Employment History

Coding Specialist at Hawaii Medical Coding Services, HI

Apr 2023 - Present

- Successfully increased coding accuracy by 15% within the first year at Hawaii Medical Coding Services by implementing new coding software and conducting regular training sessions for the team.
- Streamlined the coding process, resulting in a 25% reduction in time spent on coding tasks, by creating and implementing standardized templates and guidelines for the team to follow.
- Identified and resolved over 500 coding errors in the company's database within six months, leading to a 10% increase in overall revenue due to accurate billing and reimbursement.
- Mentored and trained five new coding specialists, who went on to achieve a 95% accuracy rate in their first three months, significantly improving the team's overall performance.

Associate Coding Specialist at Pacific Medical Coding Solutions, HI

Aug 2022 - Feb 2023

- Successfully streamlined the coding process for over 500 medical cases, resulting in a 20% increase in coding accuracy and efficiency for Pacific Medical Coding Solutions.
- Implemented a comprehensive training program for new hires, reducing onboarding time by 30% and leading to a 15% improvement in overall team performance.
- Identified and corrected coding errors in over 1,000 claims, saving the company \$50,000 in potential reimbursement losses and improving client satisfaction rates by 25%.
