PROFILE

Commercial Diver with 1 year of experience in underwater construction, maintenance, and repair. Proficient in using various diving equipment and tools, with a strong understanding of safety protocols and risk management. Demonstrated ability to work effectively in high-pressure situations, showcasing exceptional communication and teamwork skills. Committed to continuous professional development and maintaining up-to-date industry certifications.

EMPLOYMENT HISTORY

● Commercial Diver at DiveSource International, GA

Mar 2023 - Present

- Successfully completed over 100 underwater inspections of commercial vessels and offshore platforms, ensuring their structural integrity and compliance with industry standards.
- Conducted 50+ underwater welding and repair operations on various marine structures, resulting in a 95% success rate and extended service life for clients' assets.
- Played a key role in the salvage and recovery of a sunken vessel worth \$2 million, utilizing advanced diving techniques and underwater rigging expertise to safely raise and recover the asset.
- Trained and mentored five new commercial divers at DiveSource International, GA, contributing to a 20% increase in team productivity and efficiency within one year.

● Assistant Commercial Diver at Atlanta Commercial Divers, GA

Jul 2022 - Feb 2023

- Successfully completed over 150 underwater inspections for various clients, resulting in a 100% safety record and significantly contributing to the company's reputation as a reliable service provider.
- Spearheaded the development and implementation of a new underwater welding technique, increasing efficiency by 30% and reducing project completion times by an average of two days.
- Played a crucial role in the recovery of over \$1 million worth of sunken assets during salvage operations, ensuring minimal loss for clients and boosting the company's credibility in the industry.
