

Margareta Dieterick

Concrete Worker

Profile

Dedicated Concrete Worker with 1 year of experience in the construction industry, skilled in various concrete finishing techniques and proficient in using relevant equipment. Demonstrates strong commitment to safety, teamwork, and delivering high-quality results on time. Eager to contribute and expand skillset within a dynamic team environment.

Employment History

Concrete Worker at Ozinga Bros, Inc., IL

Mar 2023 - Present

- Successfully completed the construction of a 5000 sq. ft. commercial building, ensuring timely delivery and adherence to strict quality standards.
- Effectively managed a team of 10 concrete workers, resulting in a 20% increase in overall project efficiency and a 15% reduction in labor costs.
- Led the installation of over 2 miles of concrete sidewalks and curbs for a large residential development, completing the project 2 weeks ahead of schedule and within budget.
- Implemented new techniques and equipment that increased productivity by 25% and reduced material waste by 30% on a major highway expansion project.

Concrete Laborer at Prairie Material, IL

Jul 2022 - Feb 2023

- Successfully completed a large-scale commercial project as a part of a team, pouring and finishing over 20,000 square feet of concrete flooring within the tight deadline of 30 days, ensuring client satisfaction and timely project completion.
- Efficiently led a crew of 10 laborers in completing a complex highway repair project, which involved the removal and replacement of 5,000 linear feet of damaged concrete barriers within a 45-day time frame, improving overall road safety and traffic flow.
- Consistently maintained a high standard of quality control, achieving a 98% pass rate on all concrete strength tests conducted on 50+ construction projects throughout the year, resulting in reduced material wastage and increased client trust in Prairie Material's services.

Certificates

American Concrete Institute (ACI) Certification

Jun 2021

National Ready Mixed Concrete Association (NRMCA) Concrete Technologist Certification
