PROFILE

Dedicated Construction Laborer with 1 year of experience in the industry, demonstrating proficiency in a wide range of tasks including equipment operation, site preparation, and material handling. Possesses strong work ethic, excellent teamwork abilities, and a keen eye for detail, ensuring timely completion of projects while adhering to safety standards. Eager to contribute to a dynamic team and continue developing skills in the construction field.

EMPLOYMENT HISTORY

Construction Laborer at Oregon Tradeswomen, OR

Feb 2023 - Present

- Completed a \$2 million commercial construction project within budget and on-time, ensuring high-quality workmanship and adherence to safety standards throughout the project.
- Managed and coordinated a team of 10 laborers in the successful completion of a large-scale residential development, resulting in a 20% increase in productivity compared to previous projects.
- Implemented new safety protocols and procedures on the job site, leading to a 15% reduction in workplace injuries and accidents over a 12-month period.
- Streamlined the materials procurement process, reducing overall project costs by 10% and improving efficiency in the supply chain for future projects.

Construction Laborer Apprentice at Northwest Infrastructure, OR

Aug 2022 - Jan 2023

- Successfully completed a major highway expansion project in Oregon, contributing to a 20% increase in traffic capacity and reducing congestion by 15%.
- Efficiently assisted in the construction of a new 50,000 square foot commercial building, completing the project two weeks ahead of schedule and under budget by 10%.
- Collaborated with a team of 30 laborers to repair and upgrade over 100 miles of local roads, improving overall safety and reducing the average road maintenance costs by 25%.
