Skills

Employment History

Construction Superintendent at Whiting-Turner Contracting Company, NC

Apr 2023 - Present

- Successfully managed the construction of a \$50 million commercial building project, completing it within the allocated budget and 2 months ahead of schedule, resulting in a 5% overall cost savings for Whiting-Turner Contracting Company.
- Oversaw a team of 75 subcontractors and workers to complete a complex healthcare facility renovation worth \$30 million, implementing innovative scheduling and coordination strategies that reduced disruptions to ongoing operations by 40%.
- Implemented a comprehensive safety program on a large-scale residential construction project valued at \$80 million, achieving a 20% reduction in workplace incidents and contributing to a company-wide improvement in safety ratings.

Assistant Construction Superintendent at DPR Construction, NC

Jul 2018 - Feb 2023

- Successfully managed a \$50 million commercial building project, completing it 2 months ahead of schedule and 5% under budget, resulting in significant cost savings and increased client satisfaction.
- Coordinated and supervised a team of 30 subcontractors, ensuring timely completion of tasks while maintaining a 98% safety compliance rate throughout the entire construction process, leading to zero accidents or injuries on site.
- Implemented lean construction practices that led to a 15% improvement in overall project efficiency and a reduction in material waste by 10%, contributing to DPR Construction's sustainability goals and increasing profitability.
