PROFILE

Results-driven Cost Analyst with 1 year of experience in delivering accurate financial insights and cost management solutions. Skilled in data analysis, budgeting, and forecasting to optimize resources and reduce expenses. Adept at collaborating with cross-functional teams to identify cost-saving opportunities and improve overall financial performance. Demonstrates strong analytical, communication, and problem-solving skills to support strategic decision-making processes and drive organizational growth.

EMPLOYMENT HISTORY

● Senior Cost Analyst at WEX Inc., ME

Apr 2023 - Present

- Developed and implemented cost-saving strategies that resulted in a 15% reduction in operational expenses, saving the company over \$1 million annually.
- Streamlined the financial forecasting process, increasing accuracy by 20%, which led to more effective budget management and resource allocation for WEX Inc.
- Conducted in-depth analysis of vendor contracts, identifying opportunities for cost optimization and renegotiating terms, resulting in a 10% reduction in overall vendor costs.
- Led a cross-functional team in the successful completion of a major process improvement project, reducing processing time by 25% and increasing productivity by 18%.

● Cost Analyst at Bath Iron Works, ME

Sep 2022 - Feb 2023

- Successfully reduced production costs by 15% within one year by identifying inefficiencies and implementing cost-saving measures, resulting in annual savings of \$1.2 million for Bath Iron Works.
- Streamlined the procurement process for raw materials, leading to a 10% reduction in lead times and a 5% decrease in material costs, saving the company \$500,000 annually.
- Developed and implemented a new cost monitoring system that increased accuracy in budget forecasting by 20%, enabling the company to make more informed financial decisions and optimize resource allocation.
