

Elinor Devine

Photo Lab Technician

Profile

As a Photo Lab Technician with over a year of experience, I excelled in providing high-quality and efficient photo processing services to clients. I was adept at operating a variety of photo processing equipment, ensuring that images were produced in a timely manner and at the highest quality possible. My keen eye for detail, combined with my strong organizational skills and ability to multitask, allowed me to manage multiple orders and provide exceptional customer service. I consistently demonstrated strong communication skills and a dedication to maintaining a clean and organized workspace, contributing to an optimal working environment for both my colleagues and our clients.

Employment History
