## Employment History

### Critical Care Nurse at Banner Health, AZ

Apr 2023 - Present

- Successfully managed the care of over 120 critically ill patients within a year, resulting in a 95% survival rate and positive patient feedback on the quality of care provided.
- Implemented a new patient assessment protocol that reduced the average assessment time by 20%, allowing for more efficient allocation of resources and increased patient satisfaction.
- Trained and mentored 10 new critical care nurses, contributing to a 15% reduction in staff turnover and consistently high performance ratings from both peers and supervisors.

### Registered Nurse - Critical Care at HonorHealth, AZ

Sep 2022 - Feb 2023

- Successfully managed the care of over 150 critically ill patients in a year, achieving a 95% recovery rate and contributing to a 20% reduction in hospital readmission rates for critical care patients.
  - Implemented an evidence-based nursing practice initiative, leading to a 30% improvement in adherence to infection control protocols and a subsequent 15% decrease in hospital-acquired infections among critical care patients.
  - Mentored and trained five newly hired registered nurses in critical care best practices, resulting in a 100% pass rate on their certification exams and a 10% increase in overall team efficiency.
-
