

Krystle Waggoner

Curriculum Specialist

Profile

Curriculum Specialist with 5 years of experience in designing, implementing, and evaluating educational programs. Skilled in collaborating with educators and administrators to create engaging and effective instructional materials aligned with curriculum standards. Proficient in utilizing data-driven strategies to continuously improve teaching methods and student outcomes. Demonstrated ability to provide professional development and support for teachers to enhance instructional practices and overall student achievement.

Employment History

Curriculum Specialist at Wyoming Department of Education, WY

Apr 2023 - Present

- Developed and implemented a new curriculum for K-12 schools across Wyoming, resulting in a 15% improvement in statewide standardized test scores within two years.
- Successfully trained over 1,500 teachers in the updated curriculum and instructional strategies, leading to a 20% increase in teacher effectiveness ratings.
- Streamlined the curriculum review process, reducing the time spent by 30% and saving the department \$50,000 annually in associated costs.
- Collaborated with local school districts to secure \$200,000 in grant funding for additional resources and professional development opportunities related to the new curriculum.

Associate Curriculum Specialist at Laramie County School District #1, WY

Jul 2018 - Feb 2023

- Developed and implemented a comprehensive curriculum for over 5,000 K-12 students, resulting in a 10% increase in overall academic performance within the first year of adoption.
- Successfully trained over 200 teachers on the new curriculum, leading to a 15% improvement in teaching quality and consistency across the district.
- Conducted extensive data analysis on student performance and identified areas of improvement, leading to the development of targeted intervention programs that increased proficiency rates by 8% in underperforming schools.
- Collaborated with community stakeholders, including parents and local organizations, to secure \$500,000 in additional funding for educational resources and extracurricular programs.

Education

Master of Education in Curriculum and Instruction at University of Wyoming, Laramie, WY

Aug 2014 - May 2018
