## PROFILE

A highly motivated and experienced Pharmacy Intern with over 1 year of experience in the field. Possess a strong background in pharmacology, drug distribution, and patient care. Demonstrated excellent customer service, communication, and problem-solving skills. Eager to contribute to the success of a pharmacy team. Adept at accurately and efficiently preparing medications, managing inventory, and working with insurance providers. Passionate about helping people and providing high-quality medications.

## EMPLOYMENT HISTORY

### ● Pharmacy Intern at Walgreens, IN

Jan 2023 - Present

- Facilitated the accurate and timely filling of over 600 prescriptions per week, ensuring patient safety and satisfaction.
- Implemented a new system for tracking medication inventory, resulting in an 8% reduction in stock-outs.
- Improved the accuracy of the pharmacy's drug database by verifying and updating information on over 500 drugs.
- Trained and supervised four new pharmacy interns, leading to improved workflow and customer service.

### ● Pharmacy Technician Intern at CVS Pharmacy, IN

Aug 2022 - Dec 2022

- Accurately filled over 800 prescriptions in a 6-month period: As a Pharmacy Technician Intern at CVS Pharmacy, I was responsible for accurately filling prescriptions for customers. During my 6-month tenure, I filled over 800 prescriptions with 100% accuracy.
- Increased customer satisfaction ratings by 10%: I was successful in increasing customer satisfaction ratings by 10%, by providing excellent customer service and ensuring customers were served promptly in the pharmacy.
- Developed a system for organizing patient records: To improve efficiency, I developed a system for organizing patient records. This system allowed pharmacists to quickly and easily access patient information and prescriptions.
- Reduced wait time for customers by 15%: I was able to reduce customer wait times by 15% by streamlining the prescription filling process. This allowed customers to receive their medications in a timely manner.
