Profile

I am a highly experienced and knowledgeable Pharmacy Supply Chain Manager with 6+ years of experience in overseeing supply chain activities and ensuring optimal inventory levels. My expertise includes developing and implementing supply chain strategies, cost reduction initiatives, and inventory management systems. I have a proven track record of improving customer service and reducing inventory costs. I am also an expert in contract management and have negotiated favorable contracts with suppliers on a regular basis. I am an organized, detail-oriented, and data-driven individual who is committed to driving supply chain excellence.

Employment History

Pharmacy Supply Chain Manager at McKesson Corporation, CA

Nov 2022 - Present

- Improved supply chain efficiency by 25% for McKesson Corporation's California location. This was achieved by implementing new processes and technologies to streamline the ordering, inventory, and distribution of pharmaceutical products.
- Developed and implemented a new warehouse management system for McKesson Corporation in California. This system improved overall accuracy and visibility of inventory levels, reducing stockouts and improving customer service levels.
- Negotiated better pricing from suppliers for McKesson Corporation's California location, resulting in a 10% cost savings year-over-year.
- Led a team of 15 employees to develop and implement a new shipping and receiving process, which increased customer satisfaction and reduced errors by 50%.

Senior Pharmacy Supply Chain Manager at Cardinal Health, CA

Sep 2020 - Oct 2022

- Achieved an annual cost savings of \$1.5M by streamlining the procurement process and implementing new inventory management practices.
- Developed a new supply chain strategy that resulted in a 15% improvement in delivery efficiency.
- Successfully managed the deployment of a new warehouse management system, reducing overall errors by 10%.
- Spearheaded the integration of two separate distribution centers, resulting in a 20% reduction in shipping costs.

Pharmacy Supply Chain Analyst at AmerisourceBergen Corporation, CA

Aug 2017 - Aug 2020

- Developed a new inventory management system for AmerisourceBergen Corporation, CA, reducing out-of-stock items by 25%, resulting in an increase of \$1.5M in revenue.
