EMPLOYMENT HISTORY

Senior Pharmacy Technology Analyst at Walgreens, FL

Jan 2023 - Present

- Developed and implemented a new pharmacy technology system for a Walgreens store in Florida. This system included the installation of new hardware, software, and procedures, resulting in an 80% reduction in time to process prescriptions and an increase in customer satisfaction scores by 20%.
- Streamlined the pharmacy's workflow operations, leading to a 30% reduction in labor costs and a 10% increase in prescription accuracy.
- Implemented a new pharmacy tracking system, which reduced medication errors by 40% and improved customer service by 20%.

Pharmacy Technology Analyst at CVS Health, FL

Jul 2021 - Dec 2022

- Developed a comprehensive pharmacy technology training program for CVS Health's Florida region, resulting in a 50% decrease in onboarding time for new pharmacy technicians.
- Analyzed and optimized existing pharmacy technology processes to reduce costs by 15%, resulting in an annual savings of \$450,000.
- Conducted in-depth market research to identify new opportunities for pharmacy technology advancement, resulting in the successful implementation of two new technologies that increased customer satisfaction by 20%.
