

Francesca Sprung

Dental Hygienist

Profile

Dedicated and skilled Dental Hygienist with 2 years of experience providing exceptional oral care to a diverse patient base. Proficient in performing dental cleanings, patient education, and preventive services. Strong interpersonal skills, committed to building lasting patient relationships and ensuring optimal oral health outcomes. Continually seeking opportunities for professional growth and staying current with best practices in dental hygiene.

Employment History

Dental Hygienist at Louisiana Dental Center, LA

Apr 2023 - Present

- Successfully educated over 500 patients on proper oral hygiene techniques, resulting in a 30% decrease in gum disease cases within the practice.
- Completed over 2,500 dental cleanings and periodontal treatments annually, contributing to a 20% increase in patient satisfaction ratings.
- Implemented a new patient recall system that improved appointment scheduling efficiency by 25%, leading to a 15% increase in annual patient visits.
- Collaborated with a team of dentists and dental assistants to provide comprehensive dental care to over 1,000 underprivileged children through the Louisiana Dental Center's community outreach program.

Registered Dental Hygienist at Smile Dental Care, LA

Jul 2021 - Feb 2023

- Successfully treated over 1000 patients annually, improving their oral health and maintaining a high patient retention rate of 95% at Smile Dental Care, LA.
- Implemented a new patient education program, resulting in a 30% increase in patients' compliance with recommended oral hygiene practices and follow-up appointments.
- Collaborated with the dental team to increase the clinic's overall productivity by 25%, through efficient scheduling, time management, and workflow optimization.
- Conducted oral cancer screenings for over 1500 patients, identifying and referring three cases for further evaluation and treatment, potentially saving lives.
