Profile

Dentist with 6 years of experience, providing comprehensive oral care to patients of diverse backgrounds. Proficient in preventative, restorative, and cosmetic dentistry, utilizing the latest technology and techniques. Skilled in patient education and fostering strong relationships built on trust and empathy, resulting in increased patient satisfaction and retention. Committed to staying current with industry advancements and maintaining a high standard of care.

Employment History

Dentist at Overland Park Family Dental, KS

May 2023 - Present

- Successfully treated over 1,500 patients annually, providing comprehensive dental care including preventive, restorative, and cosmetic procedures, resulting in a 95% satisfaction rate among patients at Overland Park Family Dental, KS.
- Implemented a new patient education program, resulting in a 30% decrease in cancellations and no-shows, contributing to increased overall efficiency and revenue generation at the clinic.
- Led a team of dental hygienists and assistants, providing mentorship and guidance, leading to a 20% increase in productivity and a 10% reduction in turnover rate within the first year of implementation.

Associate Dentist at Hutchinson Family Dental, KS

Aug 2022 - Mar 2023

- Successfully treated over 1,000 patients annually at Hutchinson Family Dental, KS, resulting in a 95% satisfaction rate and contributing to the clinic's overall growth and reputation.
- Implemented a new patient education program focused on preventative oral care, which led to a 30% decrease in repeat issues such as cavities and gum disease among regular patients within one year.
- Streamlined appointment scheduling and follow-up processes, reducing average wait times by 15% and increasing patient capacity by 20%, allowing the clinic to serve more individuals in the Hutchinson community.

Dental Intern at Topeka Dental Clinic, KS

Aug 2017 - Jun 2022

- Successfully assisted in over 150 dental procedures, including fillings, extractions, and root canals, ensuring efficient and high-quality patient care at Topeka Dental Clinic, KS.
- Streamlined the clinic's appointment scheduling process by implementing a new digital system, resulting in a 20% reduction in patient wait times and a 15% increase in overall patient satisfaction.
- Spearheaded a community outreach program that provided free dental screenings and education to over 500 local residents, promoting oral health awareness and contributing to a 10% increase in new patient appointments.
