Dedicated and highly skilled Detention Officer with 1 year of experience in maintaining a safe and secure environment for inmates and staff. Demonstrates strong interpersonal and communication skills, with a proven ability to effectively manage challenging situations. Proficient in maintaining order, conducting searches, and enforcing rules and regulations. Adept in collaborating with law enforcement agencies and contributing to the smooth operation of correctional facilities.

Detention Officer at G4S Secure Solutions, FL

May 2023 - Present

- Successfully managed the intake and release of over 500 detainees per month, ensuring a smooth and efficient process while maintaining strict adherence to G4S Secure Solutions policies and procedures.
- Conducted thorough cell inspections on a daily basis, resulting in a 95% compliance rate with safety and sanitation standards, leading to a safer and more secure environment for both staff and detainees.
- Implemented a new training program for fellow detention officers that increased overall staff knowledge by 20% and reduced critical incidents by 15% within the first six months of implementation.
- Consistently maintained a 98% attendance rate for mandatory court appearances, ensuring proper representation for detainees and contributing to a more effective and efficient judicial process.

Detention Officer Trainee at The Geo Group, Inc., FL

Sep 2022 - Apr 2023

- Successfully completed 200 hours of comprehensive training in facility operations, safety protocols, and inmate management, resulting in a thorough understanding of the role and responsibilities of a Detention Officer Trainee.
- Effectively supervised and managed the daily activities of over 100 inmates, ensuring their safety, security, and adherence to facility rules and regulations.
- Conducted regular inspections of inmates' living quarters, identifying and addressing any potential safety hazards or security breaches, which resulted in a 20% reduction in incident reports during the trainee period.
- Collaborated with a team of 10 fellow trainees to develop and implement a new inmate orientation program, improving communication between staff and inmates and reducing initial adjustment issues by 30%.

Associate of Applied Science in Criminal Justice at Miami Dade College, Miami, FL
