Profile

A seasoned Director of Logistics with a decade of experience in strategizing and executing end-to-end supply chain operations. Proven track record of optimizing logistics processes, reducing costs, and ensuring timely delivery of goods. Demonstrated success in leading cross-functional teams, implementing innovative solutions, and fostering strong relationships with vendors and clients. Adept at analyzing data to drive continuous improvement and achieve organizational goals.

Employment History

Director of Logistics at Alaska Logistics Company, AK

Apr 2023 - Present

- Successfully reduced transportation costs by 15% within the first year, resulting in annual savings of over \$1 million, through effective route optimization and strategic negotiations with carriers.
- Streamlined warehouse operations, increasing efficiency by 20% and reducing labor costs by 10%, by implementing a new warehouse management system and reorganizing inventory layout for better flow and accessibility.
- Improved on-time delivery rate by 25% within 18 months, achieving a 98% on-time performance, through enhanced communication with customers, proactive monitoring of shipments, and the development of contingency plans to address potential delays.

Logistics Manager at Arctic Transportation Services, AK

Aug 2018 - Feb 2023

- Successfully reduced transportation costs by 15% within the first year of employment, resulting in annual savings of over \$500,000 for Arctic Transportation Services.
- Implemented a new route optimization software that increased on-time delivery rates from 85% to 95%, significantly improving customer satisfaction and reducing late delivery penalties by 60%.
- Streamlined the company's warehouse management system, leading to a 20% increase in efficiency and reducing average order processing time from 6 hours to 4.8 hours.
- Developed and executed a comprehensive employee training program, which led to a 30% reduction in workplace accidents and increased employee retention rate by 25%.

Logistics Coordinator at Anchorage Logistics Solutions, AK

Sep 2013 - Jun 2018

- Successfully reduced transportation costs by 20% through the implementation of more efficient routing and carrier negotiation strategies, resulting in annual savings of over \$500,000 for Anchorage Logistics Solutions.
- Streamlined the inventory management process, leading to a 30% decrease in order processing time and increasing warehouse efficiency, allowing the company to handle an additional 1,000 orders per month without adding staff.
- Implemented a new tracking system that increased shipment visibility by 50%, reducing customer complaints related to late or lost deliveries by 40% and improving overall customer satisfaction for Anchorage Logistics Solutions.
