Employment History

Endoscopy Technician at Endoscopic Technologies, Inc., WV

May 2023 - Present

- Successfully assisted in over 500 endoscopic procedures, ensuring patient safety and comfort while maintaining a 98% success rate for accurate diagnosis and treatment.
- Implemented a new sterilization protocol for endoscopic equipment, reducing contamination risks by 75% and increasing overall efficiency by 20%.
- Trained and mentored 10 new Endoscopy Technicians, leading to a 100% pass rate on their certification exams and improving the department's overall performance.
- Collaborated with a team to develop an improved patient scheduling system, resulting in a 30% reduction in wait times and a 25% increase in overall patient satisfaction scores.

Associate Endoscopy Technician at West Virginia Endoscopy Center, WV

Jul 2022 - Mar 2023

- Successfully assisted in over 1,000 endoscopy procedures, maintaining a 99% patient satisfaction rate and contributing to the center's overall effectiveness.
- Streamlined the equipment sterilization process, reducing turnaround time by 25%, resulting in a more efficient workflow and increased patient throughput.
- Trained and mentored four new technicians, improving their skill sets and ensuring adherence to the center's safety and quality standards, ultimately enhancing the team's overall performance.
- Implemented a new inventory management system, reducing supply waste by 15% and saving the center approximately \$10,000 annually.
