

# Destani Geoffrey

Energy Manager

## Profile

Results-driven Energy Manager with 2 years of experience in optimizing energy consumption and reducing operational costs. Proficient in conducting energy audits, implementing energy management plans, and utilizing data-driven approaches to enhance efficiency. Adept at navigating regulatory compliance, fostering stakeholder engagement, and promoting sustainable practices. Demonstrated success in identifying energy-saving opportunities and driving continuous improvement efforts.

## Employment History

### Energy Manager at Hawaii Energy Connection, HI

Apr 2023 - Present

- Implemented a comprehensive energy management plan for Hawaii Energy Connection, resulting in a 25% reduction in energy consumption and saving the company over \$1 million in annual energy costs.
- Developed and executed a successful solar panel installation project for multiple commercial clients, generating over 5 MW of clean energy and reducing greenhouse gas emissions by 10,000 tons per year.
- Led a team that secured \$2 million in grant funding from state and federal sources to support the expansion of Hawaii Energy Connection's renewable energy initiatives, contributing to a 30% increase in company revenue.

### Assistant Energy Manager at Elemental Exceleator, HI

Sep 2021 - Mar 2023

- Successfully reduced energy consumption by 20% across all facilities of Elemental Exceleator in 2019 by implementing energy-efficient technologies and optimizing operational practices.
- Secured \$500,000 in grants and incentives for energy efficiency projects in 2020, resulting in significant cost savings and improved sustainability for the company.
- Developed and executed a comprehensive energy management plan that led to a 30% reduction in greenhouse gas emissions in 2021, contributing to the company's commitment to environmental responsibility.
