

# Paden Detiveaux

Equity Research Associate

## Profile

Equity Research Associate with 1 year of experience in conducting comprehensive financial analysis, valuation, and investment recommendations for public companies. Proficient in financial modeling and industry analysis, with a solid understanding of business fundamentals and market trends. Adept at working collaboratively with senior analysts, delivering high-quality research reports, and presenting findings to clients. Strong analytical and communication skills, with a keen eye for detail and a commitment to driving investment performance.

## Employment History

### Equity Research Associate at Stephens Inc., AR

Feb 2023 - Present

- Conducted in-depth analysis on over 30 small and mid-cap companies in the consumer sector, resulting in the identification of 5 high-potential investment opportunities that outperformed the S&P 500 by 15% over a two-year period.
- Collaborated with a team of 4 analysts to author 10 comprehensive research reports, which contributed to a 20% increase in new client acquisitions and generated \$2 million in additional revenue for Stephens Inc.
- Streamlined the financial modeling process, reducing the time spent on creating and updating models by 25%, allowing the team to focus on more value-added tasks and improve overall productivity.

### Junior Equity Research Associate at D.A. Davidson & Co., AR

Jul 2022 - Jan 2023

- Successfully identified and recommended 10 high-potential stocks, resulting in a 15% increase in client portfolio value within a year.
- Conducted comprehensive financial modeling and analysis on over 50 companies, leading to the publication of 15 equity research reports that were highly regarded by senior analysts and clients.
- Played a key role in organizing and executing an annual investor conference attended by over 200 industry professionals, facilitating valuable networking opportunities and fostering business development for the firm.

## Education
