Skills

Employment History

ERP Consultant at Innovative ERP Solutions, OH

May 2023 - Present

- Successfully implemented a company-wide ERP system for a major manufacturing client, resulting in a 25% reduction in inventory costs and a 15% increase in operational efficiency within the first year of deployment.
- Streamlined business processes for a retail client by customizing their ERP solution, leading to a 30% improvement in order processing time and a 20% increase in customer satisfaction ratings.
- Led a team of consultants to successfully upgrade an outdated ERP system for a healthcare organization, ultimately reducing system downtime by 40% and increasing data accuracy by 35%.

Associate ERP Consultant at , OH

Jul 2021 - Apr 2023

- Implemented a new ERP system for a major manufacturing company, resulting in a 20% increase in operational efficiency and a 15% reduction in production costs within the first year.
- Successfully managed the migration of financial data for a large retail client, ensuring a smooth transition to the new ERP system with a 99.5% accuracy rate and completing the project two weeks ahead of schedule.
- Conducted comprehensive training sessions for over 200 end-users across three different organizations, leading to a 95% user adoption rate and a 30% decrease in support tickets within the first three months post-implementation.
