Profile

Dedicated Family Physician with 6 years of experience providing comprehensive patient care, including diagnosis, treatment, and referrals. Skilled in developing effective treatment plans, managing chronic conditions, and fostering strong patient relationships. Demonstrated success in implementing preventive care strategies, promoting patient wellness, and collaborating with multidisciplinary teams. Committed to staying current with medical advancements and providing evidence-based care.

Employment History

Family Physician at Baptist Health Primary Care, FL

May 2023 - Present

- Successfully managed a patient load of over 2,000 individuals, providing comprehensive primary care services and ensuring timely access to care for all patients.
- Implemented a preventive care program that resulted in a 15% increase in early disease detection and intervention, leading to improved patient outcomes and reduced hospitalization rates.
- Spearheaded a multidisciplinary care team initiative that improved patient satisfaction scores by 20% and increased clinic efficiency by optimizing appointment scheduling and resource allocation.

Associate Family Physician at Florida Family Physicians, FL

Sep 2022 - Mar 2023

- Successfully managed a diverse patient panel of over 1,500 individuals, providing comprehensive and personalized care to patients of all ages and backgrounds, resulting in a 90% patient satisfaction rate.
- Implemented a preventive care program that increased screening rates for diabetes and hypertension by 25%, leading to early detection and intervention for at-risk patients and improving overall health outcomes for the practice.
- Spearheaded a collaboration with local mental health providers to integrate behavioral health services into the practice, resulting in a 30% reduction in emergency department visits for mental health crises among our patient population.

Family Medicine Resident at Orlando Family Medicine, FL

Aug 2017 - Jul 2022

- Successfully managed a diverse patient panel of over 500 individuals, providing comprehensive and evidence-based care to patients of all ages in the Orlando community.
- Achieved a 95% patient satisfaction rating by implementing effective communication strategies and fostering strong relationships with patients and their families.
