HOBBIES

PROFILE

A highly skilled Field Superintendent with 5 years of experience in managing and overseeing construction projects, ensuring safety compliance, and delivering projects within budget and on schedule. Proficient in coordinating with various stakeholders, leading teams, and implementing construction best practices to achieve project goals. Demonstrates strong problem-solving abilities, excellent communication skills, and a proven track record of success in the field.

EMPLOYMENT HISTORY

● Field Superintendent at Whiting-Turner Contracting Company, MS

Feb 2023 - Present

- Successfully managed the construction of a \$50 million commercial building project, completing it 2 months ahead of schedule and within budget, resulting in a 15% increase in company revenue for the fiscal year.
- Implemented innovative project management techniques that improved on-site efficiency and communication, reducing overall project costs by 10% and increasing client satisfaction by 20%.
- Led a team of 50 construction workers and subcontractors to complete a complex infrastructure upgrade for a major client, increasing their production capacity by 25% and securing a long-term partnership for Whiting-Turner Contracting Company.
- Streamlined the procurement process for construction materials, reducing lead times by 30% and saving the company \$500,000 in annual expenditures.

● Assistant Field Superintendent at Yates Construction, MS

Jul 2018 - Dec 2022

- Successfully managed and completed a \$5 million commercial building project within the allocated budget and timeline, resulting in a 10% increase in company revenue for that year.
- Implemented a new project management software, leading to a 30% reduction in paperwork and administrative tasks, increasing overall productivity and efficiency among the field team.
- Coordinated and supervised a team of 50+ workers, achieving a 15% reduction in project delays and a 20% improvement in overall safety performance, contributing to the company's excellent safety record.
