## PROFILE

Dedicated Fireman with 1 year of experience in effectively responding to emergency situations and providing critical support to communities. Proficient in fire suppression techniques, rescue operations, and equipment maintenance. Strong commitment to public safety and excellent teamwork abilities. Continuously seeking opportunities to enhance skills and contribute to a safer environment.

## EMPLOYMENT HISTORY

### ● Firefighter at Texas Fireman's Insurance Company, TX

Feb 2023 - Present

- Successfully responded to and managed over 500 emergency incidents in a year, including fires, medical emergencies, and hazardous material situations, ensuring the safety of Texas communities and contributing to a 20% reduction in fire-related property damage in the service area.
- Led a team of 12 firefighters in executing efficient and effective firefighting operations, resulting in an 80% success rate in containing and extinguishing fires within the initial response period, preventing further damage and loss of life.
- Developed and implemented a comprehensive community outreach program, reaching over 2,000 residents, which increased fire safety awareness by 50% and contributed to a 30% reduction in residential fires in the Texas Fireman's Insurance Company coverage area.

### ● Probationary Firefighter at Texas Professional Fire Fighters Association, TX

Sep 2022 - Dec 2022

- Successfully completed over 300 hours of rigorous training in fire suppression, emergency medical services, and hazardous materials response, resulting in becoming a fully qualified firefighter for the Texas Professional Fire Fighters Association.
- Responded to over 150 emergency calls within the first year, providing life-saving assistance and support to citizens in need, as well as contributing to the overall safety and protection of the community.
- Collaborated effectively with fellow firefighters and emergency personnel during high-pressure situations, leading to a 90% success rate in containing and extinguishing fires, and a significant reduction in property damage and loss.
