## Employment History

### Food Service Worker at Jimmy John's, IL

Feb 2023 - Present

- Successfully prepared and delivered over 200 sandwiches daily, ensuring that each order was accurate and completed within the company's targeted time frame of under 5 minutes.
- Streamlined the sandwich assembly process by implementing a new station organization system, resulting in a 15% reduction in average preparation time per order and increased customer satisfaction.
- Trained and mentored 10 new employees on company policies, food safety guidelines, and efficient sandwich assembly techniques, leading to a more cohesive and productive team.
- Consistently maintained a 98% accuracy rate in cash handling and register transactions, contributing to the store's overall financial success and minimizing discrepancies in daily sales reports.

### Food Service Assistant at Jewel-Osco, IL

Jul 2022 - Dec 2022

- Successfully managed a team of 6 employees in the deli department, resulting in a 15% increase in sales and a 10% decrease in food waste within a year.
  - Implemented a new inventory management system that reduced spoilage rates by 20% and saved the company \$5,000 annually in wasted products.
  - Developed and executed a marketing campaign to promote the store's catering services, leading to a 25% increase in catering orders and a 30% increase in overall revenue within six months.
  - Streamlined the customer service process by creating an efficient system for handling special orders, which led to a 50% reduction in customer wait times and a 10% increase in customer satisfaction ratings.
-
