EMPLOYMENT HISTORY

General Practitioner at Sandhills Family Medicine, NE

May 2023 - Present

- Successfully treated over 2,000 patients annually, ensuring timely and accurate diagnoses, medication prescriptions, and follow-up care, leading to a 95% patient satisfaction rate at Sandhills Family Medicine.
- Implemented a new electronic medical records system, reducing administrative tasks by 30%, increasing patient-doctor face-to-face time by 20%, and improving overall clinic efficiency.
- Led a team of healthcare professionals in organizing and conducting annual community health fairs, providing free health screenings and preventive care education to over 500 local residents each year.
- Spearheaded a telemedicine initiative at Sandhills Family Medicine, enabling remote consultations for over 300 patients in rural areas, improving access to healthcare services and reducing travel costs by 50%.

Associate General Practitioner at Complete Family Medicine, NE

Sep 2018 - Apr 2023

- Successfully managed a patient base of over 1,000 individuals, providing comprehensive healthcare services and maintaining a 95% patient satisfaction rate during my tenure at Complete Family Medicine, NE.
- Diagnosed and treated an average of 20 patients daily, effectively reducing wait times by 15% and contributing to the overall efficiency of the practice.
- Implemented a preventive care program that resulted in a 25% decrease in hospitalizations among patients with chronic conditions such as diabetes and hypertension.
- Collaborated with a team of healthcare professionals to develop and launch a community outreach initiative, which provided free health screenings and educational workshops to over 500 local residents.
