

Kasaundra Flahaut

Grocery Stocker

Profile

Diligent Grocery Stocker with a year of experience in efficiently organizing and replenishing shelves in a fast-paced retail environment. Proficient in inventory management, maintaining store cleanliness, and providing excellent customer service. Demonstrated ability to work both independently and collaboratively to ensure optimal store operations. Committed to creating a seamless shopping experience for customers and contributing to a positive store atmosphere.

Employment History

Grocery Stocker at Giant Food Stores, PA

Feb 2023 - Present

- Successfully maintained optimal inventory levels by restocking shelves with an average of 500+ items per shift, resulting in a 95% reduction in out-of-stock products and increased customer satisfaction.
- Streamlined the stocking process by organizing the storage area, which led to a 30% increase in efficiency and enabled the completion of tasks 2 hours ahead of schedule consistently.
- Collaborated with a team of 10 stockers to complete a major store remodel within a tight 2-week deadline, ensuring a seamless transition for customers and contributing to a 15% increase in store sales post-remodel.

Associate Grocery Stocker at Wegmans Food Markets, PA

Sep 2022 - Dec 2022

- Successfully managed and maintained the inventory of over 10,000 grocery items, resulting in a 98% product availability rate for customers and a 15% reduction in stock discrepancies.
- Streamlined the stocking process by implementing an efficient organization system, leading to a 25% increase in productivity and reducing restocking time by 30%.
- Assisted in increasing sales of promoted products by 40% through effective product placement, engaging in-store displays, and providing exceptional customer service.
