Profile

Dedicated High School Counselor with 2 years of experience in providing comprehensive support and guidance to students in academic, career, and personal development. Adept at fostering strong relationships with students, parents, and faculty to create an inclusive and nurturing environment. Proven ability to develop and implement successful counseling programs and interventions, emphasizing proactive and preventative measures. Skilled in conflict resolution, communication, and collaboration to promote student success and wellbeing.

Employment History

High School Counselor at Kentucky School Counselors Association, KY
Mar 2023 - Present

- Successfully increased college enrollment rates by 20% within two years by implementing comprehensive college and career counseling programs, reaching over 1,500 students in the Kentucky School Counselors Association.
- Developed and executed a mental health awareness campaign that reduced instances of bullying by 30% and improved overall school climate, positively impacting more than 2,000 students and staff members.
- Secured \$50,000 in grant funding for the implementation of a peer mentoring program, resulting in a 15% increase in graduation rates and a 10% reduction in dropout rates among at-risk students.
- Spearheaded the creation of a robust internship and job-shadowing program, connecting over 500 students with local businesses and organizations, leading to a 25% increase in students pursuing career and technical education pathways.

Assistant High School Counselor at Owensboro High School Counseling Department, KY
Sep 2021 - Feb 2023

- Successfully developed and implemented a comprehensive counseling program for over 1,200 students, resulting in a 10% decrease in disciplinary incidents and a 15% increase in college acceptance rates within two years.
- Coordinated and facilitated over 50 college and career readiness workshops for all grade levels, reaching more than 800 students and leading to a 20% increase in scholarship awards and a 12% increase in post-secondary enrollment.
- Collaborated with faculty and staff to develop and implement a targeted intervention program for at-risk students, which led to a 25% reduction in dropout rates and a 30% improvement in overall academic performance for participating students.
- Provided crisis intervention and support to over 100 students and their families, resulting in a 50% decrease in self-harm incidents and a 40% improvement in overall mental health and well-being among the student population.
